DEDICATION

THIS 1988 ANNUAL TOWN REPORT IS BEING DEDICATED TO BEATRICE GAGE MARCOTTE

Bea has been an outstanding resident of our community for her entire lifetime.

Born in Epping in 1908, she attended all of our local schools and graduated from Watson Academy in 1926.

In September, 1932, she married Philip A. Marcotte. This marriage produced two children; a son Gail and a daughter, Pamela. During her marriage, she and her husband also became the loving guardians of her sister's four children; Edwin, Martha, Katherine and John; raising them as their own.

Over the years, this close-knit family has made her the proud grandmother of 14 and the great-grandmother of 10.

Also to her credit, she has been our Town Clerk in Epping since 1960, our Tax Collector since 1968, a member of the Epping School Board for 16 years, a lifetime member of the Epping Women's Club, a 50-year member of the Rebecca Lodge and a Notary Public.

She has also been a Justice of the Peace for many more years than she's like to remember and during this time, has married many many couples including one of her daughters and two of her grandchildren.

Her co-workers at the Town Hall will never forget how unhappy she was last year when she had to live out of Town for a short time before settling into her new home back in Epping. It served to prove, you can take Bea out of Epping but you can't take Epping out of Bea.

She is indeed a devoted member of our community and her mark is well engraved in the hearts of many. She is not only cherished by her family but by her "Epping" as well.

IN
MEMORIAM

On January 19th, Epping lost its oldest citizen - Teresa F. Cloutier of 11 Bartlett Street at the age of 100 years and eleven months.

Tessie, as she was affectionately known, was an active member of the Town for over fifty years.

She was a native of Somersworth and graduated from the Plymouth Normal School (as it was formerly known). Returning to Somersworth, she taught in the school system until her marriage to Alfred Cloutier in 1918. In the mid 20's, the family moved to Epping as Mr. Cloutier assumed responsibility for the A & P Store at the location currently occupied by the Historical Society.

In those days, Epping was a growing town with wooden sidewalks, active brickyards and a station on the B & M Railroad line. In 1939, Tessie suffered the loss of her husband and continued to raise eight children on her own.

During the 1930's and 1940's, while raising her family, Tessie participated in a number of organizations. As an original member of the Catholic Daughters of America, she helped to raise money for a replacement organ for St Joseph's Church, and, as was true with so many families in Epping, provided many "Knights-of-the-Road" with food during the Depression years.

In the 1940's, she taught briefly in the third grade and subsequently substituted in the Elementary and High School for many years thereafter. Many Epping citizens benefited from the personal qualities Tessie brought to this learning experience.

Tessie was a lady who tended to work behind the scenes for charitable events, was always there when needed to lend a helping hand and was considered a good citizen who contributed to the Town of Epping in a number of ways over many years....She will be missed.

SELECTMEN'S ANNUAL REPORT

We take this opportunity to review the more significant accomplishments of 1988 and to outline our goals for the future.

One major accomplishment was the road reconstruction project. By combining warrant article funds, road budget and developer's impact fees, we expended \$180,000 for road reconstruction. This work was done on a sealed bid basis and through the diligence of the town Administrative Assistant, the Town truly got value for this expense. We hope you'll support an even greater effort in 1989.

In addition to the new sign, the Town Hall had some much needed maintenance performed which included a total refurbishing of our police facility. We anticipate additional needs in 1989 to make our Town Hall more attractive and efficient. A much needed Town Hall handicap ramp is recommended by the Board in 1989 to allow for building access by all.

The improvements made to our "show place" Transfer Station deserve special notice. We would like to thank those taxpayers for the fencing, trees and staining contributions as well as the many recycling volunteers who definitely make a difference. We hope to increase our recycling effort in 1989 and look at each of you for your collective support.

We hired a full time Code Enforcement Officer in 1988. This position encompasses the responsibility of the Building Inspector and Health Officer while providing a daily liaison between developers, the general public, Planning Board and Board of Selectmen. Please call if you have any questions or concerns about activity which should require Town approval. Your assistance in this matter can be of tremendous benefit to the Town's well being.

We also completed a Revaluation in 1988, the previous one being done in 1976. Many properties changed disproportionately to the majority of properties reflecting the need to perform this task more frequently. We feel a fair appraisal of property values was done, but welcome your opinion. Remember, you have until March 22, 1989 to request an appeal of your 1988 taxes. Unfortunately, a significant tax impact was felt by those having an elderly tax exemption. Whereas, the amount of the elderly exemption is stated as a dollar amount as opposed to a percentage of valuation.

We are still looking for industry for Epping. We strongly support the Planning Board's position on the proposed zoning ordinance changes and wetlands ordinance. The only way our taxes will be reduced is through industry. Please attend the public hearings, get the facts and vote for Epping to grow prosperously. In particular, we are supporting Wheelabrator Environmental Systems co-generation facility for Epping. This facility will not only generate electricity and steam but also jobs and significant tax revenue for Epping.

In closing, we are all very much budget conscious. We support the ideas of all concerned taxpayers and welcome their assistance in controlling not only the Town budget, but more importantly - the School budget, which represents 86% of your tax dollar. Lastly, thank you "volunteers" who make Epping.....EPPING.

TOWN OF EPPING

Annual Town Meeting
of
March 8, 1988

To The Inhabitants of The Town of Epping in the County of Rockingham in said State qualified to vote in Town Affairs.

You are hereby notified to meet at the Epping Town Hall in said Epping on Tuesday the eight of March next at nine of the clock in the forenoon to act upon the following subjects.

ARTICLE 1. To choose all necessary Town Offices for the year ensuing.

The 1988 Annual Town Meeting opened at nine o'clock with the Moderator Mary S. Fecteau presiding.

After the meeting was opened and before any balloting took place, Mrs. Fecteau read a PROTEST TO PROPOSAL CHANGES IN EPPING, NEW HAMPSHIRE ZONING ORDINANCES.

"We, the undersigned Landowners in the Town of Epping, New Hampshire, present this proteat petition to the Board of Selectmen in accordance with RSA 675:15, to require a two-thirds vote on Article 37, of the warrant to be voted on at the annual town meeting to be held March 8, 1988. The proposed Article is entitled, "WETLANDS ORDINANCE" and to become ARTICLE IV-D, was proposed by the Epping Conservation Commission and sponsored by the Epping Planning Board. The purpose of this proposed article is to protect ground water and water supplies and would limit use of "poorly drained soils" for building purposes.

After the reading of the petition, Eileen Murphy, Selectperson, made a motion to postpone Articles 2 through 45 until Tuesday, March 15, 1988 at 7:00 p.m. at the school gymnasium, this motion was seconded, voted on and passed.

The ballots were opened and counted by the Ballot Clerks who were Frances Allen, Antoinette Langdon who replaces Pamela Homes, Virginia LaPierre and Eileen Murphy.

The Moderator declared the polls open for voting at 9:15 a.m. Polls closed at 8:00 p.m. with 814 regular ballots and 28 absentee ballots cast, making a total of 842 ballots cast. The results are as follows:

Moderator

Robert C. Howe	381 votes
Jack O. Lavoie	397 votes

Jack O. Lavoie having the plurality of votes cast was duly elected.

Budget Committee (for three years) (vote for three)

Nancy C. Chase	466 votes
Geraldine D. Kearns	472 votes
David Kelly	387 votes
Paul D. Langdon	525 votes

Nancy Chase, Geraldine Kearns and Paul Langdon having the most votes cast were duly elected and in open meeting took the oath of office as prescribed by law by the Town Clerk, Beatrice G. Marcotte.

Annual Town Meeting
of
TOWN OF EPPING

March 15, 1988
7:00 p.m.

The adjourned town meeting was called to order by Moderator Mary S. Fecteau at 7:10 p.m.

At this time, Police Chief Gregory Dodge presented awards of valor on behalf of the Epping Police Department to F. Christopher Dittmar and Peter Dyrkacz for their brave efforts at the Wayne Frost fire; also Richard Marcotte, Chief of the Epping Volunteer Fire Department presented awards to Lt. Bruce Chapman, John Bertogli and Robert Downie for their brave efforts.

The Moderator read the results of the candidates and the referendum ballot.

ARTICLE 2. To see if the town will vote to adopt the following rules for the 1988 Town Meeting to aid in understanding, and reduce confusion during the Town Meeting process:

1. All remarks or questions are to be made to or through the Moderator.
2. A voter must be recognized by the Moderator before starting to speak.
3. No one is to interrupt when a voter has the floor.
4. No name calling, profanity, or threatening will be tolerated.
5. A motion must be made and seconded prior to any discussion.
6. Any motion may be amended but only one amendment to a motion will be allowed.
7. All motions are debatable except one that limits debate. A motion to limit debate requires a 2/3 majority vote.
8. A motion to reconsider an article must get a 2/3 majority vote for the motion to pass unless the motion is made immediately following the vote on the article. If Town Meeting continues on another day or evening, a motion to reconsider an article can only be made on the same day or evening that the article was voted on.
9. Prior to a vote being taken on an article, a request for a secret ballot vote can be made in writing by 5 or more voters and this request must be given to the Moderator (NH Law).
10. After an oral or hand vote is taken on an article, a request for a secret ballot vote can be made orally by 7 or more voters (NH Law).
11. The Moderator has the right to vote on all questions if s/he wishes, including a vote to break or cause a tie vote.
12. The Moderator shall not participate in the debate of any article or motion.
13. No new articles or motions to reconsider an article will be considered after 11:00 p.m.

The rules were read as submitted in the report, and also the rules the Moderator submitted. "Debate: no person may speak during the meeting without permission of the moderator. Order will be maintained by the moderator. Secret Ballot: prior to a vote on the article, five voters may make a written request for a ballot vote. Questioning of Vote: immediately after the vote on a question is declared, and before any other business, and before any other business is begun, seven or more

persons may stand and demand a ballot vote on the question. Not Debatable & Requiring a 2/3 Vote: motion to more or call a question; motion to limit debate; motion to lay on the table; all other questions are debatable and require only a simple majority. Point of Order: not a question, not debatable, moderator decides and takes preference of subject pending. Reconsideration Motion: question of prevailing side will not be an issue. Non-Voters: may address the floor only if the town meeting votes to allow it. Moderator: will not vote except to tie a vote; thereby defeating it or cast my vote to break a tie. Town Meeting: is considered legislative; therefore, there is no time limit on debate and can only be moved by a proper motion.

Eileen Murphy made a motion to accept Article 2 as read, seconded, discussion followed and amendments were made on items 6 and 12 on the rules in the report by Peter Contrastano, a motion was made to accept these amendments, seconded, voted on, and passed. The Moderator made it very clear that she has a right to speak on any article providing she has a protemp in her place.

A vote was taken in Article 2 as presented in the report and it was defeated by a voice vote; therefore, the Moderator's rules are adopted.

ARTICLE 3. To see if the Town will authorize the Selectmen to borrow in anticipation of taxes. Eileen made a motion to accept Article 3 as read, seconded, put a vote and passed by a voice vote.

ARTICLE 4. To see if the Town will approve the purchase of a Fire Engine, Ladder Truck, Tanker Truck and Ambulance. Also to authorize the issuance of serial notes or bonds in an amount not to exceed \$385,000.00 under and in compliance with the State of New Hampshire law. To authorize the Selectmen to determine the time and place of payment and rate of interest on serial notes or bonds and to take whatever action as may be necessary to the issuance thereof. Said period of such notes or bonds not to exceed ten (10) years.

Eileen Murphy made a motion to accept Article 4 as read, seconded before discussion. Clifton Cray made a motion to amend Article 4 to read to see if the town will approve to purchase a used ladder truck and a used tanker truck with the issuance of serial notes or bonds not to exceed \$250,000.00, seconded. Richard Marcotte spoke in behalf of this article and amendment. A vote was taken on Cray's amendment and passed.

A ballot vote was in order, and it would take a 2/3 vote to pass. During the interim of voting, a motion was made and seconded that the adjourned meeting would recess at 11:00 p.m. except if there is a ballot vote in progress, it will continue until the balloting is over and the results. The meetings will convene on Tuesday evening at 7:00 p.m. until closed. Ballot vote on article 4: yes - 150 no - 100 Article 4 was defeated.

ARTICLE 5. To see if the Town will approve the expansion of the existing Fire Station building on Main Street at a cost of \$250,000.00. Also to authorize the issuance of serial notes or bonds in an amount not to exceed \$250,000.00 under and compliance with the State of New Hampshire law. To authorize the Selectmen to determine the time and place of

payment and rate of interest on serial notes or bonds and to take whatever action as may be necessary to the insurance thereof. Said period of such notes or bonds not to exceed ten (10) years.

Joseph Foley made a motion to accept this article as read, seconded, discussion.

Joseph Foley made a motion to table Article 5, seconded until Clifton Cray can ask for a reconsideration on Article 4. A vote to table Article 5 was made by a voice vote and passed.

A motion was made by Dorothy Hall to reconsider Article 4. A voice vote was taken on this motion and passed.

Clifton Cray amended Article 4 to read: "To see if the Town will approve the purchase of a Tanker Fire Truck, also to authorize the issuance of serial notes or bonds in an amount not to exceed \$150,000.00 under and in compliance with the State of New Hampshire Law. A motion was made and seconded to approve this amendment, voted on, a ballot vote was taken. Yes - 165 No - 55. Article passed.

Meeting recessed at 11:05 p.m. 3/15/88.

SECOND ADJOURNMENT
TOWN OF EPPING ANNUAL MEETING, March 22, 1988

The meeting convened with Moderator Mary S. Fecteau presiding at 7:10 p.m.

Richard Marcotte made a presentation to Terry Poliquin for his brave participation at the Wayne Frost fire.

The Moderator announced the Planning Board's Master Plan Committee Meeting.

The rules of the meeting were read.

John Hoar made a motion to reconsider Article 4 for \$250,000.00. No discussion. A motion was made and seconded on John Hoar's motion to be voted on a week later, a vote taken. Yes - 190 No - 28.

ARTICLE 5. Motion made by William Williamson and seconded to take Article 5 off the table, a vote was taken and the motion carried.

To see if the Town will approve the expansion of the existing Fire Station building on Main Street at a cost of \$250,000.00. Also to authorize the issuance of serial notes or bonds in an amount not to exceed \$250,000.00 under and compliance with the State of New Hampshire law. To authorize the Selectmen to determine the time and place of payment and rate of interest on serial notes or bonds and to take whatever action as may be necessary to the insurance thereof. Said period of such notes or bonds not to exceed ten (10) years.

Kim Sullivan made a motion to accept Article 5 as read, seconded, explanation on this article was given by Richard Marcotte, a lengthy discussion followed.

A motion was made and seconded to move the questions, voted on and passed.

Paul Langdon made a motion and seconded to amend Article 5 by inserting the following, "an all work and materials to be put out to bid." Vote was taken on this amendment and passed.

A ballot vote proceeded, the results were: Yes - 124 No - 44. Article 5 was defeated.

ARTICLE 6. To see if the town will vote to raise and appropriate a sum not-to-exceed \$2,700,000 for the purpose of undertaking water yield and quality testing, acquisition of land or rights thereof, and design and construction of water well(s), pump station(s), mains, storage facility, and connection to the existing water system to augment the water supply of the town. Said sum to be raised by the issuance of either bonds or serial notes in compliance with applicable State law and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon as they determine to be in the best interest of the Town. To the extent that the Selectmen and/or Board of Water and Sewer Commissioners are able and deem it appropriate, they may raise such portions of said sum by application for appropriate Federal, State, or private funds that may be available, and pass any vote relating thereto.

Eileen Murphy made a motion to accept Article 6 as read, seconded. Albert Haberstroh spoke extensively on this article. Albert Haberstroh amended the amount to \$450,000. A motion was made to read \$450,000.

Scott Brown made a motion to vote on the amendment to Article 6 to read \$2,700,000 to \$450,000.00, seconded; a vote was taken on this article as amended and carried.

A motion was made by Eileen Murphy to accept Article 6 as amended, seconded, voted on and carried. A ballot vote was taken: yes - 127 no - 67. Article 6 was defeated.

The meeting adjourned until next Tuesday at 7:00 p.m. The moderator cast her vote in the affirmative after the ballot box was closed and refused to retract it. The article was still defeated.

THIRD ADJOURNMENT
TOWN OF EPPING ANNUAL MEETING, March 29, 1988

The Moderator opened the meeting at 7:15 p.m. The rules of the meeting were read.

ARTICLE 4. This is a reconsideration on Article #4. A motion was made by Clifton Cray to amend the amount to \$150,000.00, seconded, voted on and passed. A ballot vote was taken. yes - 147 no - 61. Article #4 passed.

James Kach made a motion that no reconsiderations be granted except bond issues, until all other articles have been voted on, seconded voted on and passed.

A motion was made by Albert Haberstroh to reconsider Article 6 as amended at the next meeting on April 5, 1988 at 7:00 p.m. This was seconded, voted on and passed.

A motion was made by Clifton Cray to reconsider Article 5, Tuesday night, April 12, 1988 at 7:00 p.m., seconded, voted on and the motion carried.

A motion made by Roger Gauthier to table Article 7, seconded, this requires a two-third (2/3rd) vote. The vote was - yes - 39 no - 128. This was defeated.

ARTICLE 7. A motion was made by Joseph Foley to accept this article as read, seconded, discussion followed. Joseph Foley made a motion to amend this article 7 to read \$204,780.00, seconded and presented to the town meeting a proposal from Kenneth Scagel to use water from his source. This was discussed. Joseph Foley and Kim Sullivan of the Board of Selectmen are in favor of this proposal. This was under heavy discussion.

Kim Sullivan made a motion to move the questions, seconded. A vote was taken. yes - 115 no - 69. This required two-thirds (2/3rds) vote. Motion was defeated.

A motion was made to move the question, seconded, hand vote. No count given; this passed.

The article was voted on as amended, seconded, voted on and passed. A ballot vote was taken. yes - 82 no - 128. Article #7 was defeated.

Adjournment until next Tuesday night, April 5, 1988 at 7:00 p.m.

FOURTH ADJOURNMENT

TOWN OF EPPING ANNUAL MEETING, April 5, 1988

The Moderator called the meeting to order at 7:20 p.m. The rules of the meeting were read.

The Moderator cast her ballot at the last meeting after the ballot box was closed thinking she was casting her vote to carry the article; but, this was not so and she made declaration of this.

Kim Sullivan made a motion to accept Article 6 as read, seconded. Albert Haberstroh made a motion to amend the Article 6 to read, "Not to exceed \$320,000.00; seconded. Dorothy Hall made a motion to delete a portion of Article 6 and for Article 6 to read, "Wheeler site in West Epping, and all work to be done shall be put out to bid." Discussion followed. A motion taken on Article 6 as amended and passed. A ballot vote was taken. Yes - 181 No 55. Motion carried.

ARTICLE 8. To act on the reports of the Selectmen and such other town officers, boards, committees and all commissions who are required by law to make such reports.

Joseph Foley moved to accept this article as read, seconded, voted on and passed.

ARTICLE 9. To see if the Town will authorize the Selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise, by public auction, and providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice thereof being posted at three (2/3) public places (town hall, library, post office) and area newspapers.

Kim Sullivan made a motion to accept this article as read, seconded. A motion was made by Dorothy Hall to amend this article by deleting the 2/3 in this article, seconded this amendment. This was voted on and passed. The article was voted on as amended and passed.

ARTICLE 10. To see if the Town will authorize the Selectmen to apply for, receive and expend federal grants which may become available during the course of the year and also to accept and expend money from any other governmental unit or private source to be used for purposes which the Town may legally appropriate money provided: (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies, and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as provided as RSA 31:95-b.

Kim Sullivan made a motion to accept Article 10 as read, seconded, voted on and passed.

ARTICLE 11. Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for non-payment of property taxes and real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes.

Kim Sullivan made a motion to accept Article 11 as read, seconded, voted on and passed.

ARTICLE 12. To see if the Town of Epping will vote to raise and appropriate the sum of \$35,227.00 to purchase and equip two police cruisers.

Kim Sullivan made a motion to accept Article 12 as read, seconded. Police Chief Gregory Dodge spoke for this article. After a discussion, a vote was taken on the original motion and passed.

ARTICLE 13. To see if the Town of Epping will vote to raise and appropriate the sum of \$20,000.00 for the purpose of renovating and expanding the Police Station located in the cellar of the Town Hall.

Kim Sullivan made a motion to accept this article as read, seconded, discussion with Chief Dodge and a vote was taken on the motion and passed.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$18,000.00 to be used for the construction of a Highway Department barn (garage) to be located on existing town property, Map #12, Lot #64 (Wastewater Treatment Facilities).

Kim Sullivan made a motion to accept Article 14 as read, seconded. Eileen Murphy made a motion to amend the article by deleting the wording "Map 12 Lot 64 Wastewater Treatment Facilities. A discussion followed; a vote was taken on the amendment and the amendment passed. Yes - 87 No - 60. An amendment was made to read Town Garage/Shed, seconded, voted on and passed. Article 14 was voted on as amended and passed.

ARTICLE 15. To see if the Town will approve the establishment of two (2) full time Fire Department/EMT personnel at a cost of \$52,000.00 (annual salaries and benefits).

Kim Sullivan made a motion to accept this article as read, seconded. Clifton Cray made a motion to amend this article to read \$35,000, salaries and benefits from May 1988 to December 31, 1988. Motion was seconded, voted on and passed.

William Williamson made a motion to delete the word annual, seconded and voted on and passed. A motion was made to accept this article as amended, voted on and passed.

A motion to adjourn by Joseph Foley, seconded, vote taken and passed unanimously.

FIFTH ADJOURNMENT
TOWN OF EPPING ANNUAL MEETING, April 12, 1988

The Moderator declared the town meeting opened at 7:15 p.m. The rules of the meeting were read.

ARTICLE 5 (Reconsideration). Article 5 was read for reconsideration.

Kim Sullivan made a motion to accept Article 5 as read, seconded. Richard Marcotte made a motion to amend Article 5 to read, "To delete the working expansion of the existing fire station on Main Street for \$250,000.00 and add "To see if the town will approve \$250,000.00 for the purpose of building additional fire department facilities and to add the location to be determined by the Selectmen and Fire Warden." Al Haberstroh amended the motion to go out for bid. Amendment carried. A vote was taken on the amendment and passed. A ballot vote was taken. Yes - 113 No - 89. Motion defeated.

ARTICLE 16. Are the people of the Town of Epping, N.H. willing to have the Epping Ambulance bill individuals for services?

Kim Sullivan made a motion to accept this article as read, seconded, voted on and Article 16 was defeated.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for the necessary repairs to the Town Hall.

Kim Sullivan made a motion to accept this article as read, seconded, discussion, voted on and Article 17 passed.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$100,000.00 for the reconstruction of parts of St. Laurent Street, North River Road, Old Hedding Road, and Shannon Drive.

Kim Sullivan made a motion to accept this article as read, seconded, discussion, voted on and Article 18 passed.

ARTICLE 19. To see if the Town will raise and appropriate the sum of \$2,000.00 to be used for preliminary search and engineering costs associated with finding suitable land on which to establish a town cemetery by the Board of Cemetery Trustees in accordance with RSA 289:1.

Article was read, seconded. Joseph Denoncour spoke for this article. A vote was taken on the original motion, voted on and passed.

ARTICLE 20. To see if the Town will vote to raise and appropriate the following sums of money to help defray the costs to the various human services agencies that serve the Town of Epping.

Exeter Area Visiting Nurse Assoc.	6,718	\$ 5,00 0
Seacoast Hospice	1,450	750
Seacoast Mental Health Center	2,000	2,000
Area Homemaker-Home Health	1,000	1,000
Women's Resource Center	704	500
Lamprey Health Care	2,850	2,500
A Safe Place	250	250
Big Brother/Big Sister	3,000	2,000
Raymond Area Community Action	7,261	7,261
Richie McFarland Children's Center	1,400	- 0 -
Rock Child & Family Services	4,500	4,000
Mediation	600	600

Kim Sullivan made a motion to accept Article 20 as read, seconded and discussion followed. Joseph Denoncour spoke for this article. Article 19 was voted on and passed.

Andy Block made a motion to amend this article to read \$31,733.00, the amount to meet their request, seconded, voted on and passed.

A vote taken on Article 20 as amended; and passed in the affirmative.

ARTICLE 21. To see if the Town will vote to establish a Capital Reserve Account to be used for the future acquisition of Police, Fire and Highway equipment in the amount of \$30,000.00.

Kim Sullivan made a motion to accept Article #21 as read, seconded. Joseph Foley made a motion to amend Article 21 to read, "\$100,000.00 to municipal safety complex which includes Fire Department and Police Department. Discussion followed. Joseph Foley made a motion to delete the wording in the town report to have the article read, "\$100,000.00 for a Municipal Safety Complex which includes the Fire Department and Police Department." A hand vote was taken on the amendment of \$100,000.00. Vote: yes - 58 No - 62. Amendment was voted on but did not pass.

Dorothy Hall made a motion to move the questions, seconded, voted on and passed.

A vote was taken on the original motion and passed in the affirmative.

ARTICLE 22. To see if the Town of Epping will vote to raise and appropriate the sum of \$10,000.00 for the purpose of permitting the Planning Board to prepare the Master Plan and a Capital Improvement Program.

Dorothy Hall made a motion to accept this article as read, seconded, voted on and passed.

ARTICLE 23. To see if the Town will vote to rescind article #8 of the 1987 Town Warrant in lieu of the burden of municipal costs the town will incur due to large scale residential growth, lack of an economical source of water for such large scale residential growth, and possible contamination of groundwater supplies used in the area bounded in part by Birch and Mast Roads due to the Keefe EPA Superfund site; expansion of existing town owned water and sewer system to be extended only to commercial and industrial developments within the town.

Kim Sullivan made a motion to accept this article as read, seconded, voted on and article 23 was defeated.

ARTICLE 24. To see if the town will vote to limit the takings of the Sewer and Water Commission, the Board of Selectmen, or any other governmental body for water sources to lots with no structures on them.

Kim Sullivan made a motion to accept this article as read, seconded. A motion made to table article 24 seconded, voted on and passed.

ARTICLE 25. To see if the Town will vote to protect any Epping Homeowner from the forcible loss of his home by Eminent Domain or any other method of seizure for the purpose of utilizing his homestead as a future water source for a municipal well. Instead, let the Epping Sewer and Water Commissioners be required to select those water sources which provide the legal mandated distance from any existing home. This petition is not intended to include raw, undeveloped land, only existing homes where people reside.

Kim Sullivan made a motion to accept article 25 as read, seconded. A motion to table article 25, seconded, a vote taken and article 25 was tabled.

ARTICLE 26. To see if the Town will vote to allow any lot owner within 1500 feet of a high yield source well to be supplied with a free service connection to a new system if the Health Officer for the Town of Epping makes a determination that either the drawdown of the water table or induced contamination has rendered a lot owner's private well nonservicable, providing however, that quarterly charges for the water actually used shall be levied.

Kim Sullivan made a motion to accept this article as read, seconded.

A motion was made to table article 26, seconded, voted on and passed.

ARTICLE 27. To see if the Town will dissolve the Water & Sewer Commission as established under RSA 38 and RSA 252 as originally voted in the 1970 Annual Town Meeting.

Kim Sullivan made a motion to accept this article as read, seconded.

Paul Langdon made a motion to table article 27, seconded, put to a hand vote. Yes - 73 No - 37. Article 27 is tabled.

ARTICLE 28. To see if the Town will vote to adopt the provisions of Chapter 149-I of the New Hampshire Revised Statutes Annotated pertaining to sewers, and authorizing the Selectmen to perform all the duties and possess all the powers in the Town of Epping which, in the case of a city, are conferred by RSA Chapter 14 9-I upon the mayor and aldermen.

Kim Sullivan made a motion to accept this article as read, seconded.

Paul Langdon made a motion to table this article, seconded, a hand vote was taken. Yes - 73 No - 32. Article 28 is tabled.

ARTICLE 29. To see if the Town will vote to hire an administrator to act as Highway Supervisor/Public Works Superintendent whose responsibilities will be to plan activities; supervise work in progress; solicit proposals for the Board of Selectmen; and supervise the selected subcontractors; all relating to Highway/Streets and Bridges budget and whose duties will include implementing the newly adopted Town Road Plan as funds become available. The administrator to be hired at an annual salary not to exceed \$25,000.00 to be paid out of the approved Highway/Streets/Bridges budget and that this administrator/superintendent be hired expeditiously by only after a job description is accepted by the Board of Selectmen and the position is legally advertised and open to all interested applicants.

Kim Sullivan made a motion to accept this article as read, seconded.

Paul Langdon made a motion to table article 29, seconded, a hand vote was taken. Yes - 83 No - 23. Article 29 is tabled.

ARTICLE 30. To see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the Conservation Fund for the purpose of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the State matching funds under the LCIP for the purposes of acquisition of the fee or leaser interest in conservation land. Said appropriated or donated funds and State matching funds may be expended by majority vote of the Conservation Commission.

Kim Sullivan made a motion to accept this article as read, seconded. A vote taken on the motion article 30, passed.

ARTICLE 31. Are you in favor of increasing the Board of Selectmen to five (5) members?

Referendum ballot. Yes - 522 No - 276.

ARTICLE 32. To see if the Town will vote to abandon the lost and undefined portion of Beniah Lane (Also known as Rundlett Lane) and to remove the "Closed to Gates and Bars" status.

Kim Sullivan made a motion to accept this article as read, seconded. John Hoar made a motion to table this article, seconded, voted on and article 32 is tabled.

ARTICLE 33. We the undersigned registered voters and abutters hereby petition the Town of Epping to discontinue Folsom Mill Lane from the southern boundary of the Shepard Cementery to N.H. State Route 27.

Paul Langdon made a motion to table article 33, seconded, voted on and passed. Article 33 is tabled.

ARTICLE 34. To see if the Town of Epping will authorize the Board of Selectmen to deed over a small parcel of land on St. Laurent Street to the parties of Louis Guillemette, Lewis Lavoie, Pelletier & Grace for the purposes of clearing the titles to the above properties.

Kim Sullivan made a motion to accept this article as read, seconded, discussion. Scott Brown made a motion to move the question, seconded, voted on and passed. A vote on Mr. Sullivan's motion was taken and article 34 passed as read.

ARTICLE 35. We, the undersigned registered voters, wish to petition the Town of Epping to name the auditorium on the second floor of the Epping Town Hall the KENDALL CHASE AUDITORIUM, in memory of the years of service to the Town and his love of theater.

Kim Sullivan made a motion to accept article 35 as read, seconded, discussion followed. William Murch made a motion to move the questions, seconded, voted on and passed.

A vote was taken on the original motion and passed by a voice vote.

ARTICLE 36. Shall we adopt the provisions for RSA 466:30-a which made it unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such?"

A ballot vote was taken. Yes - 550 No - 227. Article 36 passed.

ARTICLE 37. To see if the Town of Epping will vote to adopt an article entitled "Wetlands Ordinance" to be Article IV-D as proposed by the Conservation Commission and sponsored by the Planning Board. The purpose of this is to protect ground water and water supplies.

A ballot vote was taken. Yes - 562 No - 236. Article 37 passed.

ARTICLE 38. To see if the Town of Epping will vote to adopt an amendment to Article IV-A "Wetlands Conservation Area" to change to name to "Riverbank Protection Area" and change the defined area from "Within fifty (50) feet of the banks" to "within seventy-five (75) feet of the banks" in order to conform with State Law.

A ballot vote was taken. Yes - 544 No - 237. Article 38 passed.

ARTICLE 39. To see if the Town of Epping will vote to repeal Article IV-C "Flood Hazard Regulations" and to adopt Article IV-C entitled "Floodplain Development Ordinance." This change is required to maintain eligibility in the National Flood Insurance Program.

A ballot vote was taken. Yes - 620 No - 159. Article 39 passed.

ARTICLE 40. To see if the Town of Epping will vote to repeal Article V "Procedure and Enforcement" and to adopt a new Article V entitled "Administration" in order to fulfill the requirements of BOCA Basic Building Code as adopted March 10, 1987.

A ballot vote was taken. Yes - 551 No - 201. Article 40 passed.

ARTICLE 41. To see if the Town of Epping will vote to authorize the Planning Board to re-number the Zoning Ordinances in accordance with the Duodecimal System in order to make referencing the Ordinances easier.

A ballot vote was taken. Yes - 551 No - 201. Article 41 passed.

ARTICLE 42. To see if the Town of Epping will vote to repeal Article III "Building Code" of the Zoning Ordinances of the Town of Epping because of the adoption of BOCA Basic Building Code, March 10, 1987.

A ballot vote was taken. Yes - 496 No - 231. Article 42 passed.

ARTICLE 43. To see if the Town will amend Article V "Procedure and Enforcement" with an additional section on fines and penalties in order to fulfill the requirements of BOCA as adopted on March 11, 1987.

A ballot vote was taken. Yes - 551 No - 201. Article 43 passed.

ARTICLE 44. To see if the Town of Epping will vote to insert the words "violation and \$100.00" in Section 117.4 of the person who shall violate a provision of this code or shall fail to comply with any of the requirements thereof or who shall erect, construct, alter or repair a building or structure in violation of an approved plan or directive of the Code Official, or of a permit or certificate issued under the provisions of this code, shall be guilty of a violation, punishable by a fine or not more than \$100.00. Each day that a violation continues shall be deemed a separate offense.

A ballot vote was taken. Yes - 491 No - 252. Article 44 passed.

ARTICLE 45. To raise such sums of money which may be necessary to defray town charges for the ensuing year and made appropriations of same.

A hand vote was taken and passed; the total operating budget for the year is \$2,012,721.00.

ARTICLE 46. To see if the Town of Epping will vote to amend Article 119.1 of BOCA Basic Building Code to add after the last sentence; "A certificate of occupancy shall not be granted until the access road leading to the dwelling from the existing public way has been built according to Town specifications up to and including two (2) inches of binder course."

A ballot vote was taken. Yes - 547 No - 226. Article 46 passed.

Beatrice H. Muretta
Town Clerk, Epping, N.H.

BUDGET COMMITTEE ANNUAL REPORT

The EPPING BUDGET COMMITTEE spent a lot of time wrestling with the perennial problem; what budget will provide for the necessary services of the Town and School and yet will be affordable by the taxpayers. What things are essential and what can be postponed?

Because of the property revaluation in 1988, the tax rates of 1987 and 1988 can not be easily compared. One comparison that causes concern is that of January 5, 1988, 80.5% of the taxes had been paid compared to January 19, 1989 when only 54.4% had been paid.

However, the Budget Committee has determined the 9% decrease in the rate in 1987 unfortunately was not maintained and became a 9.37% increase in 1988. This was due to votes for increased spending at Town and School Meetings. 1988 will be remembered as the year of the "pajama" School Meeting, when early in the meeting, the Budget Committee's recommended budget was approved, many voters went home, only to find the next morning that the vote had been reconsidered. Those wanting \$200,000 added to the budget, alerted their friends by phone, who came to the meeting with coats over their night clothes! The morale of this story is - Epping voters must stay to the bitter end because the majority present can reconsider all previous discussed business, not only at the end of the meeting but also in the next weeks until the meeting is finally adjourned.

The year 1988 presented several important issues for us:

(1) Overspending - State law does not allow the Town and School to overspend budgets. However, for emergencies, departments must come before the Budcom to request permission to spend additional funds. Some departments are not living within their budgets and are spending as they please. Without Budget Committee permission, to spend additional funds, they are breaking the law. Taking the offenders to court will only cost the taxpayers in lawyer fees. Some departments feel that if they take in excess revenue, they can spend it. The N.H. DRA informed the Budget Committee that these funds are to be returned to the General Fund. The School Board is the largest offender in overspending.

(2) Increased Budget Requests - The Conservation Commission is the only department to request the same amount as last year. All other budgets are up, some 21%. The increase would be palatable if we could forecast increased revenues, but 1989 will be a lean year. The building boom has slowed considerably, thus, not much of an increased tax base. Also, the State reports revenues will be less.

(3) Disproportionate Budget - It is estimated that 40% of the tax money raised by the Town goes to sixty teachers in the Epping School System for their wages and benefits. The cost of educating the children of Epping keeps going up and is our largest expense.

If the Budget Committee could have one wish, it would be to have adequate revenues to the Town to provide adequate services at an affordable tax rate.

HARVEY-MITCHELL MEMORIAL LIBRARY
ANNUAL REPORT, 1988

The Library had a good year with over 9,000 items circulated and 3,500 people using the facility for reading and research. We added 730 items to our collection, which brings the overall holding to 12,426. As in the past, many of our new books have come from generous donations of people in Town. We registered over 200 new borrowers.

The Lydia Ladd Room was used so much by Town committees and civic organizations that it was often necessary to make room upstairs to accomodate overflow activity.

Working with Epping Elementary School and its Parent-Teacher Organization, we co-sponsored several programs this year. These included well-received presentations by Red Rug Puppet Theater and artists in the school Susie-Burke, Michael Zerphy and Curt Bessette. The Library is also providing free passes to the Children's Museum of Portsmouth, continually adds new exhibits, family programs and educational activities. Come in or call 679-5944 to sign out the free passes. Friday Story Hour is held at 10 a.m., under the direction of Rosalie Carr.

With the Epping Historical Society and our Middle-High School and the N.H. Humanities Council, the Library hosted a successful 1988 lecture series which included an exhibit, drama and talks on New Hampshire's role in ratifying the U.S. Constitution. Topics ranged from maintenance of the Old Man in the Mountains to local poets, Colonial culture and gravestone art. Presenters were: David Watters, Judson Hale, Niels Nielson, Richard Schubart, Richard B. Sanborn, Jere Daniell, and yours truly.

The outside of the Library was cleaned this year by removal of dead and over-grown shrubbery. We are working with the Epping Garden Club and the Pat Estey Memorial Fund to re-plant the grounds. Local sign-painter Joe Forbes donated his services to create a new sign for the front lawn. This easily read sign held camera focus by Channell 11's "New Hampshire Crossroads" during a story featuring our library in October. Also in that month, we held the most successful book sale ever, thanks to our new assistant, Linda Kerry.

Our outstanding staff consists of circulation desk veteran Betty Claxton, Rosalie Carr and Linda Kerry. Library hours are 1-5 p.m., Monday through Friday; 7-9 p.m., Wednesday and Thursday. We are ready to serve you and welcome your support of the public library.

Duane Shaffer
Librarian

EPPING FIRE DEPARTMENT ANNUAL REPORT

I would like to express my thanks to you for your support at last years town meeting. The two full-time people have proven themselves invaluable to the town and have also taken some of the burden off the other firefighters, as well as myself. The new truck hasn't arrived yet and will probably get here sometime in the spring or early summer.

The date I am writing this report is the 16th day of January, and we have had seven fire calls, two of which were structural. This added piece of equipment will enable us to do an even better job of saving lives and property. We still feel that an addition to the present station is the best answer to our growth needs, however; we will make do for at least another year with what we have.

The Epping Fire Department answered one hundred sixty two calls for 1988, making this the busiest year in the Fire Department's history.

In closing, I remind you to inspect your woodstove and chimney, and clean them both often. Please use smoke detectors and make sure the batteries are fully charged and in place. An early detection not only saves lives but can prevent more property loss.

I also want to thank all the volunteers and their families for their support.

Richard Marcotte

EPPING AMBULANCE ANNUAL REPORT

The Epping Ambulance answered two hundred and twenty-seven calls this year, putting to use the skills that all of our volunteers have worked so hard to learn and maintain. Unfortunately, we had three fatal traffic accidents within the past year, but were able to help many people.

A group of the ambulance E.M.T.s will be going on to a higher level of care to the community. We feel a new ambulance is needed this year, preferably a box type unit which will give us the much needed room for patient care and treatment.

We wish to thank all the members of the department and their families who so unselfishly give their time and effort to making Epping a better place to live and work. We also wish to thank the residents of Epping for their continued support and donations.

Karen Sott
Secretary

REPORT OF THE EPPING POLICE DEPARTMENT

The Epping Police Department underwent several changes in the past year. The most significant change occurred inside the station. Our expansion and renovation went well with only a few minor exceptions. Once some finish work and painting is completed inside the station, an Open House will be planned.

Two of our full-time officers resigned their positions in 1988 which left the Department understaffed. In September the positions were filled by Richard Simpson and Michael Wallace. Both officers are now undergoing the 10-week Police Academy. Upon their graduation in mid March, the Department will once again be at full strength.

Once again this year the Police Department was able to help sponsor the "Officer Phil" program for the Elementary School students. The robot was introduced to the youngsters and provided them with many helpful safety tips. McGruff the crime dog is scheduled for sometime this year. Many thanks to our local merchants who make this program possible.

A safety patrol was also established at the Elementary School through the combined efforts of Ms. Marilyn Butt and this Department. Children in the fourth grade perform the service and rotate their positions with other students as decided by the school staff. Each participating student receives a Safety Patrol badge and orange vest and monitor the activities of students as they pass through the hall or board and unload school buses.

In closing, it is unfortunate, I must once again report the loss of life on our highways. Three people were killed in unrelated accidents, one on Plummer Road and the other two on Route 101. It was determined that the two fatalities on Route 101 were caused by alcohol impairment. We encourage you not to drink and drive and if you do drink have a **DESIGNATED DRIVER** take you home.

A reminder to all Epping residents that our **EMERGENCY NUMBER** is 679-2225 24-hours a day. The business number is 679-5122.

Respectfully Submitted,

Gregory C. Dodge, Chief
Epping Police Department

ANNUAL REPORT OF THE EPPING PLANNING BOARD FOR 1988

It is with pride that this Board is able to present to you the updated Master Plan adopted January 17, 1989. It was accomplished with the assistance of The Master Plan Committee under the leadership of Chairman Bill Williamson, the Rockingham Planning Commission, and our Circuit Rider, Theresa Walker. It is based on the desires of Epping Citizens as expressed in two surveys and its goals reflect the direction in which you want the Town to grow. The proposed zoning ordinance you will vote on at the March Town Meeting is based on these goals.

The proposed zoning ordinance will go far to protect your property values and encourage potential investors to contribute to our industrial, business and commercial tax base, secure in the knowledge that their property values will be protected. We feel that it is a document that will promote the best interests of the Town, individual citizens, and developers as fairly as is possible. It will guide the Planning Board in making decisions and because of its more precise wording, will avoid the oft-stated criticism by Town Counsel and other attorneys that our present ordinance is too vague to adequately protect the Town in a law suit.

In 1988, this Board held 80 Public Hearings, 39 Preliminary Consultations, 22 Workshops, and approved 21 subdivisions and 30 site development plans. Those together with plans conditionally approved and applications accepted for consideration add up to over 1600 new dwellings, almost equal to those already occupied. Selling prices for homes are expected to range from \$89,000 to \$350,000, with most in the vicinity of \$150,000, yielding about \$2,550 in taxes, not enough to pay the way of one child in school. Obviously revenues from other sources will be needed to support the cost of new school buildings and meet other needs for educating a large increase in school population.

Members attended the Law Lectures and the Natural Resource lectures in the Fall. This Board has worked constantly to improve and streamline our regulations in order to keep abreast of a substantial amount of new legislation.

Retiring Board Member, Bob Goodrich, would like to say that it has been a source of pride and satisfaction to have served on this Board. He urges you to support the new Board with your presence and your ideas so that they may carry on the work and traditions to which so many board members and committee members have contributed over the past twenty years.

EPPING PLANNING BOARD

Robert Goodrich, Chairman
Nancy Haberstroh, Secretary
Linda Harding, Vice Chairman
Ron Laurent, Treasurer

Ron Loiselle, Code Enforcement
Officer

ANNUAL REPORT
OF THE
CODE ENFORCEMENT/HEALTH OFFICER

In July 1988, the Office of Code Enforcement was initiated as part of the municipal force. The office is responsible for enforcement of all State and Town Codes, Ordinances and Regulations.

In addition, the Code Enforcement Office was combined with those of Health Officer and Building Inspector.

During 1988, 176 Building Permits, 128 Electrical permits and 55 Plumbing permits were issued, together making 590 inspections.

Since July, the Health Office received 27 complaints (8 of which are on-going), made four Day Care inspections, one Foster Home inspection and one Elderly Housing inspection. Four violation orders were issued for failed septic systems.

The Code Enforcement Office received 76 complaints (13 of which are on-going). From these, two resulted in "Stop Work" orders and four "Cease and Desist" orders being issued.

Anonymous reports received no action.

I would like to personally thank the Townspeople for their cooperation in getting this department off and running during the past six months.

If I can be of any help to anyone, please call 679-1202.

Ronald Loiselle
Code Enforcement Officer

Epping Conservation Commission

Annual Report - 1988

The Conservation Commission's subcommittees have continued to address wetland impacts, management of public lands, municipal solid waste issues, and groundwater and surface water protection concerns. Commission members have also been involved with various community activities that have occurred within our town over the past year.

Addressing Dredge and Fill applications for wetland projects, the commission's primary function, has continued to be our most time consuming task. Many of the projects requiring Dredge and Fill permits have been larger in scope than previous years and as a result the commission's involvement in the review process for these applications has taken a considerable amount of time and resources.

We have started to turn more of our attention to the town's public lands in an effort to determine the best use and appropriate management techniques for these areas. Wildlife preserves, nature trails, picnic areas, and other recreational uses are functions we hope to establish for town residents. Our involvement with the state's Land Conservation Investment Program has been minimal due to limited resources but we instead have been working on establishing the town's first piece of owner retained conservation land. The costs associated with preservation of this parcel, which encompasses a portion of the Piscassic River, are being paid for out of the profits that have accumulated from each annual Lamprey River Canoe Race which the commission jointly sponsors with the Recreation Commission.

The town's recycling program has been doing remarkably well due to the willingness of an increasing number of town residents to separate their waste and the diligent efforts of the volunteers and paid staff involved with the program. The program has grown from a base of primarily volunteer labor and donated equipment services for processing materials to an expanded paid staff position, some volunteer help, and the use of rented equipment. The sale of glass, cardboard, newspaper, and aluminum cans generated \$1200.00 of revenue in 1988 and the diversion of over 40 tons of recyclable material from the incineration facility in Durham resulted with a savings of \$1800.00 in disposal costs. As the momentum to recycle continues to build, we will continue to provide educational information and address ongoing improvements to our program.

The commission's Groundwater and Surface Water Protection subcommittee spent time this past year producing updates to the existing Wetlands Protection Ordinance and Aquifer Protection Ordinance. The rapid development occurring in our town has raised our awareness of the potential impact to our water resources. The commission as a whole also provided input for the Natural Resources section of the town's Master Plan.

Besides the annual canoe race mentioned above, the commission has also been involved with other community affairs. The commission co-sponsored, along with the Garden Club, James Maxwell as this past year's conservation camp participant. A portion of the preparation requirements for the new Middle School playground were also addressed by commission members.

The Conservation Commission is always in need of volunteers to work on environmental projects e.g. mapping wetlands, expanding the use of town parks and forests, recycling projects, etc. Please contact any commission member if you have time to contribute towards conservation interests.

REPORT OF THE WATER & SEWER COMMISSION

The search for water continued without letup and finally resulted in a measure of success, although not without a major failure along the way. The high hopes for a substantial source in West Epping were dashed in an overwhelming quantity of iron and manganese that appeared during the last day of the pump test. The Commissioners took a deep breath and with the aid of the engineers and hydrogeologists tried to figure out where to look next. Because the biggest cost of the Wheeler well was the \$1,800,000 for pipes to bring the water to the existing distribution system we concentrated on possible sites nearer to downtown. And because the last hope for a good gravel packed well had faded we turned to the possibility of a bedrock well, but where to put it was not an easy problem to solve.

In the meantime well #2 began to show high levels of iron and manganese. An attempt to reduce this by means of a thorough cleaning was not effective and by this time #1 well also began to show high iron and manganese. Here we were with our total water supply going bad and no good prospects for a replacement. So in desperation and because all our power and piping were close at hand a test well was drilled 280 feet into the bedrock close to the existing well #2. At last, good fortune was on our side and we found a gusher with excellent quality and a predicted working capacity of about 200 gallons per minute! This well was temporarily tied into the system on New Years' Eve. It is unfortunate that this did not mean instant relief from the odor and bad taste now due to residue still lining the pipes, but most users report that things are much better. They will continue to improve. The next step is to install a permanent higher capacity pump and to formalize an agreement with Richard Sanborn for the use of his land. This is long overdue as he has allowed the town to use his land for many years and has been most willing to let us expand that use for the new well.

The Commissioners will be asking the town to support a warrant article at the Town Meeting to fund further exploration for the purpose of giving the system enough capacity to be able to operate with its largest source out of action. When that happens, we will be able to encourage industrial and commercial users to locate in town and give us a badly needed assist in paying our tax bills.

The proposed expansion to the sewer treatment plant has progressed to the point where the Environmental Protection Agency is reviewing our request for a permit to discharge up to 800,000 gallons per day of treated sewage into the Lamprey River. The review process is said to take about four months and that time has just about expired. We understand that the Industrial Committee has some prospects for companies to locate here as soon as we can resolve the sewer and water problems, so this dream of the plant expansion is not dead yet.

The Commissioners wish to repeat their concerns for the problems that the bad water has caused and want to assure all the users that they will continue their efforts to supply more than ample quantities of high quality water through a proper distribution system. We thank you for your support to this end and remind you that your thoughts and comments are always welcome.

Mary Fecteau
Jack Lavoie
Albert Haberstroh, Chmn.

page 1 of 3

Epping School District Annual Meeting

The meeting was called to order by the moderator, Ms. Fecteau at 7:41. The moderator then announced the results of the election of officers as follows:

For School District Moderator:	
Mary Fecteau	409
William Williamson	400
For School District Treasurers:	
Harold Bowles	663
For School District Clerk (write-in):	
Joseph Foley	16
Dawn Tuminowski	15
For School Board Member	
Judith Leavis	453
Terry Wilkinson	290

The moderator then read the following rules of the meeting; refer to attachment.

Article 1 was read as follows:

To hear the reports of agents, auditors, and committees or officers chosen and pass any vote relating thereto.

The article was moved and seconded by members of the School Board. Board member Yergeau presented a summary report of the achievements of the previous year and stressed the importance that the meeting not be recessed as a recess would deprive the School Board of their ability to plan for next year and would make it more difficult for them to bargain with the teachers. The motion passed on a voice vote.

Article 2 was read as follows:

To see if the District will vote, under the provisions of RSA 198:20-B, to authorize the School Board to apply for, accept and expend without further action by the School District Meeting, money from any source which becomes available during the 1988-1989 fiscal year, provided that such expenditure be made for purposes which a school district may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

The article was moved and seconded by members of the School Board. The article passed on a voice vote without debate.

Article 3 was read as follows:

To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for the School District officials and agents, and for the payment of the statutory obligations of the District.

The article was moved and seconded by members of the School Board. School Board members then made the motion to amend the article to read:

To see if the District will vote to raise and appropriate the sum of \$3,857,128.00 for the support of schools,....etc.

The motion to amend was seconded and debate followed on the merits of the budget. A motion was made during debate to recess the meeting but was ruled out of order by the moderator. It was explained that the amount of money in the amendment did not include the warrant articles. A petition requesting a ballot vote on article 3 was accepted by the moderator.

A ballot vote on the amendment failed:

yes 78

no 104

A motion was then made to reconsider article 3. This motion was approved and an amendment was proposed which changed the amount of the appropriation to \$3,574,500.00. In the discussion it was noted that this amount is exclusive of the warrant articles. The amendment was approved on a voice vote.

A motion from the floor was made and seconded to recess the meeting. The moderator declared the motion to be non-debatable. The moderator was challenged and a motion was made to overrule the moderator. The motion to overrule passed on a voice vote. During debate it was stressed that it was important that the District have an approved budget regardless of when they reach agreement with the teachers regarding the contract. The motion to recess was defeated on a hand vote.

Article 4 was read as follows:

To see if the District will raise and appropriate the sum of \$90,500.00 to replace a portion of the roof of the Middle/High School.

The article was moved and seconded by members of the School Board. During debate members of the School Board explained the need for the repairs. The article was approved on a voice vote.

Article 5 was read as follows:

To see whether the District will vote to raise and appropriate the sum \$15,000.00 to repair plumbing and lavatory equipment in the Epping Middle/High School.

The article was moved and seconded by the School Board. A board member explained the need for the repairs. The article passed on a voice vote.

Article 6 was read as follows:

To see if the District will approve the application of School Administrative Unit # 14 to the N.H. State Board of Education for reorganization of the School Administrative Unit.

The article was moved and seconded by the school board. A member of the School Board then explained why the article had been submitted. The article carried on a voice vote.

Article 7 was read as follows:

To transact any other business which may legally come before the meeting.

A motion was made to reconsider article 3. A show of hands was taken but was challenged. The moderator decided that a ballot vote should be taken. Reconsideration was approved:

yes 84

no 81

An amendment was made and seconded to change the amount of money in Article 3 from \$3,574,500 to \$3,400,000. An amendment to the amendment was then made and seconded to change the amount of money in the amendment from \$3,400,000 to \$3,857,128. After debate the amendment to the amendment was approved by ballot vote:

yes 89

no 72

The moderator then called for a vote on the amended amendment of \$3,857,128. The motion carried on a voice vote.

A motion was immediately made to adjourn. The motion carried on a voice vote. The meeting was adjourned at 11:15 PM.

Respectfully submitted,

Original Signed By

Joseph M. Foley
School District Clerk

There having been some question as to what was voted at the Epping School District annual meeting, with respect to the budget, it is the intent of this addendum to clarify the events as recorded in the minutes.

With respect to article 3, which became a vote on the District operating budget, the article was reconsidered at the end of the meeting. The voters present rejected an attempt to reduce the budget to \$3,400,000. The voters then approved a budget of \$3,857,128 (exclusive of warrant articles). Though the parliamentary procedure may not have been absolutely consistent with Robert's Rules of Order, the meeting did vote for a budget of \$3,857,128 and the moderator did declare the budget approved (in that amount) following the vote. There being no further business the meeting was adjourned.

Respectfully submitted:

Joseph M. Foley
School District Clerk

PRINCIPAL'S REPORT
EPPING MIDDLE-HIGH SCHOOL

It is a pleasure to submit my first annual report to the Epping community. I am grateful to Michael O'Donnell (last year's interim principal) and the Epping faculty for helping make this first year a very positive experience.

Epping Middle-High School began the year with an enrollment of 333 students, 167 in the middle school and 166 in the high school. In 1988, we improved our facility, strengthened our programs, and witnessed gains in student achievement. Under the able direction of Mr. Richard Marcotte, a number of major maintenance projects were initiated including repairs to the roof, replacement of ceiling panels, and restoration of our lavatories.

Our faculty stabilized considerably losing only three members. Four teachers were hired to replace the three who left and to accommodate a large entering sixth grade class.

Individual teacher achievements include Genie Phetteplace's (15th year middle school science teacher) selection for a presentation at the National Science Teachers Convention and James Locke's (18th year art teacher) appointment to a second five-year term on the State Arts Council.

Over fifty percent of the 1988 graduates have gone on to college and other secondary education programs.

Student scores on the California Achievement Test improved. Every class that took the test (6,8,9,10) scored above the fiftieth percentile nationally. Twenty-five percent of our students scored above the seventieth percentile. Our students continue to score well on regional writing and history tests.

In athletics, under the direction of Mr. Anthony Silva, our teams performed commendably. The middle school boys basketball team won its league championship in 1988. Both the boys and girls high school basketball teams qualified for the state tournament with the girls going to the finals for the fifth consecutive year. The boys basketball team made the semifinals in the state tournament. Last fall, our soccer team qualified for the state tournament for the first time in the school's history. Ryan Gatchell, '92, was selected to represent New Hampshire in the National Junior Olympics Basketball Tournament.

The Epping Middle-High School band, directed by Mr. Bruce Gatchell, participated with distinction in a number of N.H. Music Educators Association competitions including the Solo and Ensemble Festival, the large Group Festival, the Jazz Festival, and the Junior-Senior High School All State Festival. The Epping Middle-High School Band was one of two schools at our level to gain an overall rating of "A" in the Large Group Festival held at UNH. In the Jazz Festival, our middle-high school band was recognized as a one of the top five groups in New England.

Mr. Donald Hatch, our Director of Guidance, initiated a peer outreach program. Thirteen of our students received training with other high school students in the state and have made themselves available to their peers to discuss a variety of issues and problems. Our Student Support Committee, chaired by Ms. Pamela Chaffee and Ms. Pat Weisberg, ran a health awareness program in the Spring that brought in a number of speakers to address a diversity of topics related to the problems young people face today.

In regard to our regular school programs, we have much of which to be proud. The core curriculum and activities program in our middle school earned us a "1A" rating from the State Department of Education. Once again, the eighth grade had an enjoyable education trip to Washington during spring break.

In the high school, a successful science fair showcased the talents of Epping's budding scientists, and the staff elected to pilot an innovative teaching approach described as Outcome Based Education (OBE). In addition, our school was the recipient of a Governor's Initiative Grant and other state grants that provided thousands of dollars of state of the art computer equipment and software.

We look forward to another positive year in 1989.

EPPING ELEMENTARY SCHOOL
A.G. GOYER-PRINCIPAL

The Epping Elementary School has been in existence for 18 months. Much progress has been made since the school's dedication in August of 1987. There are many new programs that have been put in place as a result of our work on a mission statement for an effective elementary school. There is a new language arts curriculum for all students. A code of behavior for students is in place. We have a nationally validated Student Council program as well as a Student Support Committee and a Teacher Assistance Team. The first grade participates in an Early Prevention of School Failure Program. All of these programs are designed to build self-esteem, increase knowledge and better prepare Epping's children for adulthood.

Many of our building and grounds needs have been taken care of or are being tended to. We have soundproofing and a new stage curtain for the multi-purpose room, room-darkening shades for each classroom are on order, and the builder has taken care of our roof leaks. The playground committee continues to work toward their goal of having a playground and field for our children.

New members to our staff this year include Barbara Young, librarian; Beth Maurer, Grade 1; Lisa Wade, Grade 3; Martha Ritter, Grade 4; Sandy Snyder, Special Education; Gail Newton, Special Education; Kim Martin, Aide; and Carlene Mills, Office Staff; also Susan Raymond, Speech/language; and Linda Morgan, Art.

Activities during the course of the year have included our continuing Citizen of the Month Program, Music concerts, Plays, Computer Club and O.M. New activities include monthly spirit days, safety patrol, and our student council.

During the coming year, we plan to reevaluate our Math program and continue toward reaching our objectives as stated in the mission statement.

In closing, I would like to offer an open invitation for you to come and visit our school to see us in action as we strive toward excellence.

Epping School Board
Epping School District
Epping, New Hampshire 03042

To the School Board:

We have examined the financial statements of Epping School District for the year ended June 30, 1988, and have issued our report thereon dated November 17, 1988.

As a part of our examination we reviewed and tested the School District's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable but not absolute assurance as to the safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgments by those managing the Epping School District affairs.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness, or any other of several factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented intentionally by those managing the Epping School District affairs with respect to the estimates and judgments required in the preparation of financial statements.

Further projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

Our study and evaluation of the Epping School District system of internal accounting control for the year ended June 30, 1988, which was made for the purpose set forth in the first paragraph above, would not necessarily disclose all weaknesses in the system. However, such study and evaluation disclosed the following conditions that we believe should be corrected as soon as possible.

FPPING SCHOOL DISTRICT

Internal Accounting Control Recommendations

For the Year Ended June 30, 1988

Previously Mentioned Recommendations:

Outside Services: (School Board, SAU and School)

Payments made to individuals concerning personal services should be accounted for on a calendar year basis. It is the responsibility of the payer to account for payments in excess of \$600.00 to any one individual in a particular calendar year.

These payments are reported on federal tax forms titled 1099 (similar to W-2 procedures). These outside services would apply to such persons as athletic officials and any other person who receives \$600.00 or more in any one calendar year.

General Ledger System:

All transactions for the School District should be maintained on a modified accrual basis, (General Fund) as required by the New Hampshire Financial Accounting Handbook. This would mean that cash receipts, cash disbursements, accounts receivable, and accounts payable should be recorded on a consistent basis when supplying financial reports to the School Board. A double-entry system is needed to conform with these recommendations.

Failure to record receivables and payables as part of the report distorts the fund balance of the School District. This can cause over or under spending and lead to poor management decisions. Therefore, a full report should be established in conjunction with the computer to provide such financial information.

Another consideration for the computer financial reporting system is to program the printed information so that it conforms with the State's MS 25 report. This would mean applicable sub-totals for certain categories as required by the Financial Accounting Handbook mentioned above. This would save a great deal of time at the year end.

Property and Equipment: (School Board and SAU)

The School District does not maintain records of general fixed assets as a matter of policy. Such assets would consist of such items as: land, buildings, furniture and fixtures, equipment, vehicles, etc. The recording of fixed assets fulfills the stewardship needs to provide for physical and dollar value control, and establishes accountability for capital expenditures over the years.

EPHING SCHOOL DISTRICT

Internal Accounting Control Recommendations

For the Year Ended June 30, 1988

Property and Equipment (Cont'd): (School Board and SAU)

With the recording of fixed assets, the related depreciation could be determined on an annual basis for the purpose of measuring total costs of the School District's services and evaluating the efficiency of programs. This would be particularly true with the food service fund. In addition, there has been an increasing trend in government grants which consider depreciation as a reimbursable cost.

Check Signing: (SAU, School, and Treasurer)

We recommend check signing authority on the District accounts be assigned to one other School District official. This authority would prevent the need for pre-signed District checks. Although this change was approved at the March 13, 1986 District meeting, to date no deputy treasurer has been appointed.

Lunch Fund: (School, Lunch Director)

Upon receipt of goods from vendors the packing slip or invoice should be signed by a responsible official to indicate that the goods were in fact received. Also, many bills are paid by a statement without all of the underlying documentation being present. All packing or receiving slips should accompany an invoice when it is paid.

Reimbursement checks from the school lunch program should list the "Treasurer - Epping School District" as payee - not the individual by name.

General Fund: (SAU, School, School Board)

While reviewing invoices at year end we find a purchase order and an invoice signed by the principal. There is rarely a signed packing or delivery slip indicating that the goods were received. If the principal's approval for payment is supposed to serve two purposes, a policy should be adopted to that effect. If not, then signed packing slips should accompany the invoice to the paid invoices file. SAU employees should be made aware of this policy as well.

EPING SCHOOL DISTRICT

Internal Accounting Control Recommendations

For the Year Ended June 30, 1988

Activities Fund : (School, School Board)

The School Activities Fund's purpose is to collect monies from various student groups to finance their projects. During the course of the year, student groups are occasionally in a deficit position with their fund. This is not an acceptable accounting practice.

Areas where better controls could be implemented are as follows:

- A. No disbursements from the Activities Funds should be permitted without an invoice. Disbursements take place very frequently without an invoice under the current system. This adds up to thousands of dollars of unreceipted cash disbursements (i.e. Honor System of accounting).
- B. Funds raised by students and funds transferred by the General Fund should not be commingled. Currently, some funds are supported by the General Fund as well as by revenues generated by the students. The accounting for these two types of income should be separated.
- C. Deposits to the bank account should be made more frequently. Activities funds tend to accumulate very quickly and it is not unusual for several hundred dollars to accumulate over a couple of days.

Once again, it should be noted that the School Board has the responsibility for the care, custody, and control of the Activities Funds.

Additional Recommendations: (SAU, School Board)

- A. Purchasing and Disbursements - This district does not provide adequate safeguards for the protection of its unused checks. At the very least, they should be placed in a locked file cabinet at days end. With regard to purchase orders, we recommend that they be utilized for purchased services as well as materials and supplies. Special education makes up a significant percentage of the district's budget and seldom is there a purchase order for these outside services.
- B. Year End Purchase Orders - As a fiscal year end approaches, materials and supplies are often ordered, received and paid for prior to the close of the current fiscal year. Placing these expenditures into the proper fiscal period becomes difficult without an indication on the purchase orders for the year to which they should apply. We recommend that all purchase orders placed prior to the end of a fiscal year for the following fiscal years materials indicate such with a rubber stamp or such other identifier acceptable to the district.

Appropriations: (SAU, School Board)

During fiscal year ended June 30, 1988, the District overexpended its appropriation. This process is in violation of state law and should be more carefully monitored in the future.

EPPING SCHOOL DISTRICT

Internal Accounting Control Recommendations

For the Year Ended June 30, 1988

We feel very strongly that the institution of the above outlined procedures will lead to more reliable and responsible financial reporting. With government funding being as it is, we know how important reliable financial reporting can be.

We would like to thank everyone involved with the audit for their help and cooperation.

If you have any questions regarding the audit or if we may be of further assistance, please do not hesitate to contact us.

Very truly yours,

Giordani & Lortie, P.A.

CERTIFIED PUBLIC ACCOUNTANTS

P.O. BOX 459
EXETER, NEW HAMPSHIRE 03803

Epping School Board
Epping School District
Epping, New Hampshire 03042

We have examined the general purpose financial statements of the Epping School District for the year ended June 30, 1988, listed in the foregoing Table of Contents. Except as noted in the following paragraph relative to the Statement of Changes in Assets and Liabilities of the Student Activity Funds, our examination was made in accordance with generally accepted auditing standards, and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described fully in Note #1, the general purpose financial statements referred to above do not include the financial statements of the General Fixed Assets Account Group. Also, the Food Service Fund, a Proprietary Fund type, does not maintain a record of its General Fixed Assets and accordingly, a Statement of General Fixed Assets is not included in the financial statements. These statements are required to be included to conform with generally accepted accounting principles. In addition, due to a lack of evidential matter, we are unable to audit the Statement of Changes in Assets and Liabilities of the Student Activities Funds. The effect of this matter on its financial position is not reasonably determinable.

In our opinion, except for the omission of the financial statements referred to above, which results in an incomplete presentation, and the unaudited Statement of Changes in Assets and Liabilities of the Student Activities Funds, the general purpose financial statements referred to in the Table of Contents present fairly the financial position of the Epping School District as of June 30, 1988 and the results of its operations and the changes in financial position of its Proprietary Fund types for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours,

TOWN OF EPPING

1989

WARRANT AND BUDGET

THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 9:00 A.M. TO 8:00 P.M.

To the Inhabitants of the Town of Epping in the County of

Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Epping Town Hall in said Epping on Tuesday, the fourteenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

ARTICLE 2. To act on the reports of the Selectmen and such other Town officers, boards, committees and all commissions who are required by law to make such reports.

Submitted by Selectmen

ARTICLE 3. To see if the Town of Epping will vote to raise and appropriate the sum of \$200,000 for the exploration and installation of bedrock wells. The exploration costs would not exceed \$125,000 with remaining funds to be used for the permanent installation and connection of the wells to the existing water system. Also to authorize the issuance of serial notes or bonds in an amount not to exceed \$200,000 under and in compliance with the State of New Hampshire law. To authorize the Selectmen to determine the time and place of payment and rate of interest on serial notes or bonds and to take whatever action as may be necessary to the issuance thereof. Said period of such notes or bonds not to exceed ten (10) years.

Submitted by Selectmen
& Water & Sewer Commission
Recommended by Budget Committee

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$100,000 for the reconstruction and looping of the water lines on Mill Street and Pike Street. Also to authorize the issuance of serial notes or bonds in an amount not to exceed \$100,000 under and in compliance with the State of New Hampshire law. To authorize the Selectmen to determine the time and place of payment and rate of interest on serial notes or bonds and to take whatever action as may be necessary to the issuance thereof. Said period of such notes or bonds not to exceed ten (10) years.

Submitted by Selectmen
& Water & Sewer Commission
Recommended by Budget Committee

ARTICLE 5. To see if the Town will approve the expansion of the existing Fire Station building on Main Street at a cost of \$250,000.00. Also to authorize the issuance of serial notes or bonds in an amount not to exceed \$250,000 under and in compliance with the State of New Hampshire law. To authorize the Selectmen to determine the time and place of payment and rate of interest on serial notes or bonds and to take whatever action as may be necessary to the issuance thereof. Said period of such notes or bonds not to exceed ten (10) years.

Submitted by Petition
Recommended by Budget Committee

ARTICLE 6. To see if the Town of Epping will vote to raise and appropriate the sum of \$60,000 to purchase and equip a new ambulance. The total cost being \$80,000 with \$20,000 provided from the Ambulance Fund. Also to authorize the issuance of serial notes or bonds in an amount not to exceed \$60,000 under and in compliance with the State of New Hampshire law. To authorize the Selectmen to determine the time and place of payment and rate of interest on serial notes or bonds and to take whatever action as may be necessary to the issuance thereof. Said period of such notes or bonds not to exceed ten (10) years.

Submitted by Selectmen
Recommended by Budget Committee

ARTICLE 7. To see if the Town of Epping will vote to raise and appropriate the sum of \$75,000 to cover the cost of the new well on Fremont Road. This was an emergency well due to failure of the two existing wells. The \$75,000 includes initial drilling and testing plus permanent installation. Also to authorize the issuance of serial notes or bonds in an amount not to exceed \$75,000 under and in compliance with the State of New Hampshire law. To authorize the Selectmen to determine the time and place of payment and rate of interest on serial notes or bonds and to take whatever action as may be necessary to the issuance thereof. Said period of such notes or bonds not to exceed ten (10) years.

Submitted by Selectmen
& Water & Sewer Commission
Recommended by Budget Committee

ARTICLE 8. To see if the Town of Epping will vote an exception provided by Section 4:D of the Epping Waste, Disposal and Storage Ordinance as enacted by vote of the 1979 Town Meeting. To allow the establishment of a waste to energy facility by Wheelabrator Technology.

Submitted by Selectmen

ARTICLE 9. To see if the Town will authorize the Selectmen to borrow in anticipation of taxes.

Submitted by Selectmen

ARTICLE 10. To see if the Town of Epping will vote to raise and appropriate the sum of \$25,000 for cleaning and painting the water tank on Pleasant Street.

Submitted by Selectmen
& Water & Sewer Commission
Not Recommended by Budget Committee

ARTICLE 11. To see if the Town of Epping will vote to purchase an ambulance not to exceed the amount of \$80,000. Sixty thousand (60,000) to be raised by the Town of Epping, the balance to be paid by the Fire Department.

Submitted by Petition
Recommended by Budget Committee

ARTICLE 12. To see if the Town will authorize the Selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise, by public auction, and providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice thereof being posted at three public places (Town Hall, Library, Post Office) and area newspapers.

Submitted by Selectmen

ARTICLE 13. To see if the Town will authorize the Selectmen to apply for, receive and expend federal grants which may become available during the course of the year and also to accept and expend money from any other governmental unit or private source to be used for purposes which the Town may legally appropriate money provided: (1) that such grants and other monies do not require the expenditures of other Town funds (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies, and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of Town monies, all as provided by RSA 31:95-b.

Submitted by Selectmen

ARTICLE 14. To see if the Town of Epping will vote to raise and appropriate the sum of \$17,000 for the construction of a handicap ramp and entrance to the Town Hall. The total cost being \$34,000 with remainder to be paid with Grant funds.

Submitted by Selectmen
Recommended by Budget Committee

ARTICLE 15. To see if the Town of Epping will vote to raise and appropriate the sum of \$9,000 for the construction of handicap bathrooms in the Town Hall.

Submitted by Selectmen
Recommended by Budget Committee

ARTICLE 16. To see if the Town of Epping will vote to raise and appropriate the sum of \$16,000 to purchase a new police cruiser.

Submitted by Selectmen
Recommended by Budget Committee

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$30,000 to purchase property located on Water Street (Map #12, Lot #7).

Submitted by Selectmen
Recommended by Budget Committee

ARTICLE 18. To see if the Town of Epping will vote to raise and appropriate the sum of \$2,000 for architectural review for the expansion and handicap access to the Harvey Mitchell Memorial Library.

Submitted by Selectmen
Recommended by Budget Committee

ARTICLE 19. To see if the Town of Epping will vote to raise and appropriate the following sums of money to help defray the costs to the various human service agencies that serve the Town of Epping:

AGENCY	1987 <u>BUDGET</u>	1988 <u>REQUEST</u>	BUDCOM <u>RECOMMENDED</u>
A safe Place	250	500	500
Homemakers	1000	1000	1000

Community Action	7261	7114	7114
Lamprey Health Center	2850	3200	3200
Richi McFarland Child Center	1400	1500	1500
Rock. Child & Fam. Center	4500	4750	4750
Seacoast Hospice	1450	1230	1230
Seacoast Mental Health	2000	2000	2000
Women's Resource Cen- ter	704	750	750
	31133	32011	32011

Submitted by Selectmen
Recommended by Budget Committee

ARTICLE 20. To see if the Town will vote to add \$3,400 to the fiscal year 1988 - 1989 contract with the Rockingham Planning Commission to receive the services of a "Town Planner" for 3 1/2 hours per week. The Town Planner shall address concerns related to growth and zoning within the town, under the Planning Board's instruction, and also act on the town's behalf as a coordinator of project proposals within the town's Industrial/Commercial zone.

Submitted by Petition
Recommended by Budget Committee

ARTICLE 21. To see if the Town of Epping will approve the appropriation of \$406 from Federal Revenue Sharing funds to be spent on road reconstruction.

Submitted by Petition
Recommended by Budget Committee

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Police Cruiser Capital Reserve Fund previously established.

Submitted by Selectmen
Recommended by Budget Committee

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Fire Truck Capital Reserve Fund previously established.

Submitted by Selectmen
Recommended by Budget Committee

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Road Maintenance Equipment Capital Reserve Fund previously established.

Submitted by Selectmen
Recommended by Budget Committee

ARTICLE 25. Be it enacted that any public works costing more than \$1,000 be put out for bids, and the lowest bid from a reliable contractor shall be awarded to said contractor. This act shall take effect April 1, 1989.

Submitted by Petition

ARTICLE 26. Be it enacted that property taxation in the Town of Epping shall not exceed the annual Cost of Living Adjustment, based on the Federal Government's yearly published rate of inflation; EXCEPT: When placed on a written ballot, at a regular election, or at a special election, reading: "Shall the Town of Epping be allowed to assess an increased percentage of % for property taxes for the fiscal year starting _____?" and the increased percentage shall be deemed approved if 2/3 of the persons voting, vote YES." Effective date - This act shall take effect immediately upon passage.

Submitted by Petition

ARTICLE 27. Be it enacted that when a vote is taken on a warrant and after a reconsideration, if any, no further vote can be taken on it until the next annual town meeting. Effective date: This act shall take effect immediately after passage.

Submitted by Petition

ARTICLE 28. Be it enacted that no person 65 or older shall have his property seized for non payment of taxes if said person qualifies for a tax lien under the provisions of NH RSA 72-38a, this regardless of whether said person has applied for a tax lien or not. Effective date: This act shall take effect June 1, 1989.

Submitted by Petition

ARTICLE 29. To see if the Town will vote to change the closing time for voting at all elections from 8:00 p.m (present time) to 7:00 p.m.

Submitted by Selectmen

ARTICLE 30. To see if the town will allow Environmental Resource Return Corp to start-up a non-hazardous recycling facility for soils, rock, brick, block, asphalt, reinforced concrete and wood wastes such as brush, stumps, pallets and demolition woods, with materials coming from out of town as well as in town. This facility would do absolutely no burning or burying and would process the materials for resale as topsoil, roadbase and woodchips as fuel for electricity. The recycling facility would be located off Rt 27 with a one-half mile setback from the road near the Epping dragway and raceway.

Submitted by Petition

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of \$21,946 to purchase a four (4) ton storage and recycling unit for the Epping Highway Department. This is a self-contained unit for road patching material.

Submitted by Petition
Not Recommended by Budget Committee

ARTICLE 32. To raise such sums of money which may be necessary to defray Town charges for the ensuing year and make appropriations of same.

ARTICLE 33. Are you in favor of the adoption of ORDINANCE AMENDMENT ARTICLE #1 - PREAMBLE of the Epping Zoning Ordinance as adopted OCTOBER 12, 1968, as amended and re-adopted October 9, 1979 and as amended and adopted at the Annual Town Meetings of March 1986, 1987, and 1988, as proposed by the Planning board, for the purpose of clarity.

Submitted by Planning Board

ARTICLE 45. Are you in favor of the adoption of ORDINANCE AMENDMENT ARTICLE # 15 - RIVERBANK PROTECTION DISTRICT of the Epping Zoning Ordinances as adopted October 12, 1968, as amended and re-adopted October 9, 1979, and as amended and adopted at the Annual Town Meetings of March 1986, 1987, and 1988, as proposed by the Planning Board. AMENDMENT:....to enlarge the protective area to 100 feet to provide a corridor for deer and other wildlife.
(BALLOT VOTE)

Submitted by Planning Board

ARTICLE 46. Are you in favor of the adoption of ORDINANCE AMENDMENT ARTICLE # 16 - EPPING WETLANDS ORDINANCE of the Epping Zoning Ordinances as adopted October 12, 1968, as amended and re-adopted October 9, 1979, and as amended and adopted at the Annual Town Meetings of March 1986, 1987, and 1988, as proposed by the Planning Board. AMENDMENT:....to make the ordinance less restrictive while at the same time protecting ground water storage areas for the replenishment of private and municipal wells.
(BALLOT VOTE)

Submitted by Planning Board

ARTICLE 47. Are you in favor of the adoption of ORDINANCES AMENDMENT ARTICLE # 17 - ADMINISTRATION of the Epping Zoning Ordinances as adopted October 12, 1968, as amended and re-adopted October 9, 1979, and as amended and adopted at the Annual Town Meetings of March 1986, 1987, and 1988, as proposed by the Planning Board. AMENDMENT:....to add two paragraphs to regulate development prior to Planning Board review.
(BALLOT VOTE)

Submitted by Planning Board

ARTICLE 48. Are you in favor of the adoption of ORDINANCES AMENDMENT ARTICLE # 18 - DEFINITIONS of the Epping Zoning Ordinances as adopted October 12, 1968, as amended and re-adopted October 9, 1979, and as amended and adopted at the Annual Town Meetings of March 1986, 1987, and 1988, as proposed by the Planning Board. AMENDMENT:.....to clarify words used in the ordinance to avoid being vague which makes the ordinance hard to defend in court.
(BALLOT VOTE)

Submitted by Planning Board

ARTICLE 49. Are you in favor of the adoption of ORDINANCES AMENDMENT ARTICLE # 19 - BOARD OF ADJUSTMENT of the Epping Zoning Ordinances as adopted October 12, 1968, as amended and re-adopted October 9, 1979, and as amended and adopted at the Annual Town Meetings of March 1986, 1987, and 1988, as proposed by the Planning Board. AMENDMENT:..... intent not changed, only for clarification.
(BALLOT VOTE)

Submitted by Planning Board

ARTICLE 50. Are you in favor of the adoption of ORDINANCES AMENDMENT ARTICLE # 20 - VALIDITY of the Epping Zoning Ordinances as adopted October 12, 1968, as amended and re-adopted October 9, 1979, and as amended and adopted at the Annual Town Meetings of March 1986, 1987, and 1988, as proposed by the Planning Board. AMENDMENT:.....puts previous Articles XIII and XIV under one heading. Protects the validity of other articles in case any one should be declared invalid and states that the Ordinance shall take effect on passage.
(BALLOT VOTE)

Submitted by Planning Board

ARTICLE 51. Are you in favor of amending Article X "Epping Wetlands Ordinance" of the Epping Zoning Ordinance as proposed by members of Conservation Commission and members of the public. The purpose of these amendments is to protect the welfare of the public, water resources, and ecological areas and to improve the terminology within article X that describes the procedures used to protect wetland resources.
(BALLOT VOTE)

Submitted by Petition
Not Recommended by Planning Board

ARTICLE 52. To transact any other business which may legally come before this meeting.

EPPING SCHOOL BOARD

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Epping, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Epping Gymnasium in said district on the ninth day of March 1989 at seven-thirty in the evening to act upon the following subjects:

1. To see if the District will vote to raise and appropriate the sum of \$199,596.00 as a deficit appropriation for the July 1988 through June 1989 fiscal year, such sum representing additional costs attributable to the collective bargaining agreement agreed to by the Epping School Board and the Epping Education Association; said appropriation to be funded in part from an anticipated surplus in the 1988-89 fiscal year, and the remainder to be raised by taxes.
2. To hear reports of agents, auditors and committees or officers chosen and pass any vote relating thereto.
3. To see if the District will vote, under the provisions of RSA 198:20-b, to authorize the School Board to apply for, accept and expend without further action by the School District Meeting, money from any source which becomes available during the 1989-1990 school fiscal year provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.
4. To see if the District will vote to raise and appropriate the sum of \$180,977.00 to fund the cost items relating to teachers' salaries and benefits for the 1989-90 school fiscal year, such sum representing additional costs attributed to the latest collective bargaining agreement entered into by the Epping School Board and the Epping Education Association.

5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for the School District officials and agents, and for the payment of statutory obligations of the district.
6. To see whether the District will vote to raise and appropriate the sum of \$30,000 to replace a 10,000 gallon oil tank at Epping Middle/High School as required by law.
7. To see whether the District will vote to raise and appropriate the sum of \$46,200 for repairs and modifications to bleachers, lighting systems, outside doors and heating controls at Epping Middle/High School.
8. To see whether the District will vote to raise and appropriate the sum of \$14,000 to carry out modifications and repairs to the site of the Epping Elementary, Middle/High School.
9. To see if the District will vote to raise and appropriate the sum of \$144,853.00 as a deficit appropriation for the July 1988 through June 1989 fiscal year to provide funds for unanticipated special education expenses; \$37,626.00 of this appropriation to be funded from sweepstakes revenue in that amount distributed by the Department of Education under the provisions of 1988 New Hampshire Laws, Ch. 278, and the balance of said appropriation to be raised by taxes.
10. On Petition of ten or more Voters: To see whether the Epping School District Meeting will vote to raise and appropriate the sum of \$25,000.00 to construct the playground on the site of the Epping Elementary School building.
11. On Petition of ten or more Voters:
 1. Be it enacted that an audit be made of the books of the Epping School District, the audit to be done by an outside firm, the firm to be selected by the Town Officials.

2. Appropriation. The sum of \$2,000.00, more or less, is hereby appropriated and shall be used only for the purpose stated.

3. Effective Date. The audit to be commenced at the end of the current school fiscal year.

12. On Petition of ten or more Voters: To request that the Town of Epping raise and appropriate a sum not to exceed \$9,000.00 to fund an independent audit of the Epping School District for the school year 1987/1988.. This audit will review administrative practices of the school district and recommend improvements if necessary. The budget committee will be chartered to select an auditing firm based on a sealed bid procedure.

13. To transact any other business which may legally come before this meeting.

Given under our hands at said Epping this 15th day of February 1989.

MELANSON, GREENWOOD
& COMPANY, P.A.

February 10, 1989

To the Board of Selectmen
Town of Epping
Epping, New Hampshire

We are currently performing an audit of the Town's 1988 general purpose financial statements. The 1988 revaluation and efforts to computerize the tax records resulted in delays in closing the Town's books at year-end. These delays made it impossible to submit the audited financial statements in time for printing in the annual Town Report.

The final audit report will be available for Town Meeting. We anticipate completing the audit by February 17, 1989, and presenting the final audit report by late February.

Sincerely,

Melanson, Greenwood + Co.

TOWN OF EPPING, NEW HAMPSHIRE
Management Report
For the Year Ended December 31, 1988

February 15, 1989

To the Board of Selectmen
Town of Epping
Epping, New Hampshire

We have audited the financial statements of the Town of Epping, New Hampshire for the year ended December 31, 1988, and have issued our report thereon dated February 17, 1989. As part of our examination, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary solely to determine the nature, timing, and extent of our auditing procedures. Accordingly, we do not express an opinion on the system of internal accounting control taken as a whole.

During our audit, we become aware of the following weakness that we consider to be material in the Town's system of internal accounting control.

TAX COLLECTOR CASH RECEIPTS

The Tax Collector's office is responsible for receiving approximately \$4 million in receipts per year. Because the volume of transactions that occur each day, audit trails and the daily receipt reconciliation process are very important. Currently, all receipts are summarized in a journal, however, the journal is not subtotaled when deposits are made. This makes it difficult to determine when tax receipts were actually deposited and remitted to the Treasurer.

We recommend that the cash book be summarized whenever deposits are made. This will create a better trail over the cash receipt process and will provide added assurance that all cash is deposited intact. Please note, however, that this should be an automatic process once the Collector's automated tax collection system is on-line.

Town's Response: The Town will pursue this matter.
* * *

The above mentioned weakness was considered in determining the nature, timing and extent of the audit tests to be applied in or audit of the December 31, 1988 financial statements, and this condition does not affect our report on those financial statements dated February 17, 1989.

During our examination, we also noticed other weaknesses in the system of internal accounting control that we do not feel constitute material weaknesses, but, once corrected, will serve to strengthen the Town's internal accounting control. These weaknesses are listed below:

GENERAL LEDGER

The Town is currently tracking revenues and expenditures with an automated system, however, a general ledger, which is used to tie together and summarize all the financial transactions of the Town, is not maintained.

We recommend that the Town install a computerized general ledger system that will be integrated with its current system. Implementation of a general ledger will be the cornerstone to establishing a reliable recording and reporting system.

Implementation of a general ledger will:

- Simplify the reconciliation of the Treasurer's cash balances to the Bookkeeper's balances each month.
- Allow the individual tax receivable balances per the Tax Collector's commitment books to be reconciled to the general ledger balances each month, without having to verify the total commitment from the Board of Assessors, the total cash turned over to the Treasurer, abatements issued, refunds, tax titles, etc.
- Identify errors that may exist in the accounting records on a monthly basis, so they may be corrected in a timely manner.
- Allow immediate review of any account such as Surplus.
- Allow the Town to prepare various financial statements and reports.

Town's Response: A regular review of expenditures & revenues has been done. The implementation of a computerized general ledger will be pursued.

DAILY DEPOSITS

The Tax Collector does not have any formal policies for depositing receipts into her own checking account or remitting the receipts to the Treasurer.

We recommend the elimination of a separate Collector checking account and that receipts be deposited daily to a Town money market account. This will improve controls over cash receipts and will improve the Town's investment earnings.

We further recommend that weekly summaries of receipts, by tax and levy be given to the bookkeeper and summaries of water and sewer receipts be given to the Water and Sewer Department. This will insure that Town records are maintained accurately and up-to-date.

Town's Response: The Town will pursue this matter.

COMPUTER PROGRAM UPGRADE

The Bookkeeper is currently using two unintegrated computer systems: Real World Accounts Payable to record invoices and print accounts payable checks, and Business Management Systems (BMS) to record revenues and expenses in the Municipal Fund System. This requires the Bookkeeper to duplicate her work. We spoke with representative of BMS who indicated that the newer versions of the software are integrated (information from one system is automatically entered into the other, updating the information and reducing the amount of work to be done.)

We recommend that the Town have their software updated to the most recent version. This will result in eliminating much duplication of effort and will reduce the possibility of errors occurring in the posting process.

Town's Response: The software for this process was not available in 1988. According to the computer software company, this will be available by the 3rd quarter of 1989.

COMPUTER BACK-UPS

We noted that computer backups of information were not being done for all automated records on a regular basis. As the Town moves towards increased automation the necessity of adequate back-up information becomes more important.

We recommend that regular back-ups be made more frequently and on a regular schedule. We further recommend that a copy of the information be kept in a fire protected safe either on or preferably off location.

Town's Response: Backups of certain automated records are already being done on a daily basis. We will develop more formal procedures for safe guarding all automated records.

APPROVAL OF VENDOR PAYMENTS

The Board of Selectmen currently authorize each vendor check individually before payments are issued to vendors. This is a very tedious and time-consuming process.

We recommend that a vendor "manifest" be prepared listing all payments to be made. Instead of signing each check, the Selectmen should approve the manifest in total. Any discrepancies on the list could be crossed-off by the Selectmen and documented on the manifest. The checks should all be individually signed (or stamped) by the Treasurer, however.

In order to make this change and still retain all the internal control currently in place, the Town should establish a separate imprest "vendor" checking account. After the Selectmen approve the manifest, money would be transferred from the Town's main account to the vendor account equal to the total of the manifest. The vendor checks would then be issued against this account. As a further control, dual signatures should be required for all checks over a certain dollar limit.

Town's Response: This will be reviewed based on our present computer system. * * *

This letter summarizes the potential system improvements that came to our attention in the review of internal control performed in connection with the audit of the financial statements for the year ended December 31, 1988.

After you have had an opportunity to consider our findings and recommendations, we shall be pleased to discuss them further with you. We would like to thank you for the cooperation and courtesy given to our firm during the course of the engagement.

Very truly yours,

Melanson, Greenwood & Co.

Melanson, Greenwood & Company

SUPERINTENDENT OF SCHOOL'S REPORT

In 1986-87 when I assumed the Superintendency of SAU #14, the test scores for Epping Middle/High School were the lowest in New Hampshire. The California tests showed deficiencies in reading, mathematics, and language usage. The Seacoast Education Services writing sample performance in that year was also substantially below average when compared to other Seacoast school districts.

In 1988-89 these test results are substantially improved. The Seacoast Educational Services writing sample results showed Epping High School tied with Oyster River and Newmarket with the highest average writing sample scores in the Seacoast region. The Epping High School California Achievement Tests result in reading was just about average in comparison with other New Hampshire high school students in 1988. The Epping High School California Achievement Tests result in math computation was also average in comparison with New Hampshire high schools in 1988; while language usage was just a shade below the average.

This substantial improvement is due to a determined effort on the part of the faculty to improve education in the Epping School District.

The results in the elementary school are equally dramatic. The Epping Grade 8 California Achievement Test results revealed that Epping students scored better than the state average in reading, substantially better in mathematics and average on the total battery score. The language usage score was below the state average by one percentile point virtually tie with the average New Hampshire Grade 8 student.

The Epping Grade 4 test results were equally encouraging. The Epping Grade 4 California Achievement Test results revealed that the Epping students scored above the New Hampshire state average in reading, tied with the state average in language, mathematics and the total battery.

I am pleased to report these results as I believe that Epping students have shown substantial improvement in the past three or four years. I would like to take this opportunity to congratulate both parents, students and teachers for the magnificent showing and improvement which is evident.

Special education remains a substantial financial problem for the Epping School District. In 1987-88 there was not enough money in the budget to meet special education needs. These needs often change rapidly due to students moving into or out of the district. In 1987-88 the financial problem in special education was due to an expanding number of students assigned out of the Epping public schools, so called "contract tuition" students. The cost of these out-of-district tuition services also increased rapidly.

It is important to recognize that special education expenses are mandated by both Federal and New Hampshire law. This fact has been confirmed in consultation with the New Hampshire Division of Revenue Administration. The out-of-district services are for the most part provided to children whose needs could never be met in an Epping School setting.

The cost of special education is a substantial part of the school budget. Although some aid is received from the State of New Hampshire and from the U.S. Government, the lion's share of the expenses are paid by Epping taxpayers. With local control comes local responsibility, consequently these costs must be paid by the Epping taxpayer.

H. Wilson Eaves
Superintendent of Schools

EPPING SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS - JUNE 30, 1988

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies of the Epping School District conform to generally accepted principles for local educational governmental units except as indicated hereinafter. The following is a summary of significant accounting policies.

Basis of Accounting

The accrual basis of accounting is used for all proprietary (food service) and fiduciary (agency) funds. Governmental funds utilize the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

- a. Disbursements for inventory items (materials and supplies) are considered expenditures at the time of purchase.
- b. Prepaid expenses are not normally recorded.

General fixed assets are not capitalized in the accounting records when acquired. Funds used to acquire general fixed assets and/or make debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made. The food service fund has never maintained a record of its fixed assets and related depreciation accounts for measuring their operations. Generally accepted accounting principles require that general fixed assets be capitalized and accounted for in a separate fixed assets group of accounts.

Taxes Collected by Others

Under State Law, the Town of Epping collects School District taxes as part of local property tax assessments. As collection agent, the Town is required to pay over to the School District its share of property tax assessments through periodic payments based on projected cash flow requirements of the District. The Town assumes financial responsibility for all uncollected property taxes.

Interfund - Transactions

During the course of normal operations, the School District has numerous transactions between funds including expenditures and transfers of resources to provided services. The accompanying governmental and proprietary funds financial statements reflect such transactions as transfers.

Retirement Plan

Substantially all full time employees of the District participate in the State of New Hampshire Retirement System. Under this plan, participants contribute annually a percentage of compensation which is fixed by law and dependent upon age when contributions begin. The District contribution rate for normal cost of the plan is based upon an actuarial valuation of the State plan as of June 1988 and has been set at .71% of annual compensation for teachers and 2.94% for other employees.

For the fiscal year ended June 30, 1988 the normal cost of the plan to the District was \$12,524. The amount, if any, of the excess vested benefits over pension fund assets for the Epping School District is not available. At June 30, 1988, the District had no past service cost obligation.

EPHING SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS - JUNE 30, 1988

Sick Leave

The Epping School District teachers may accumulate up to 150 days of sick leave. Upon death or retirement applicable to RSA-192 the District will pay one half of the current substitute pay per day for each day of accumulated sick leave, for which an annual provision is made in the budget. The District does not record the cost of sick leave when earned. Estimated value of accumulated sick leave for retirement at June 30, 1988 is \$4,084.00.

Inventory

Inventories are stated at the lower of cost or market value.

2. PURPOSE OF FUNDS AND ACCOUNT GROUPS:

The School District reports its activities in numerous individual funds to comply with the limitations and restrictions placed on both the resources made available to the School District and the services provided. Individual funds and account groups summarized in the accompanying financial statements are classified as follows:

A. Governmental Funds

These funds are intended to provide recurring general services. They are controlled by a budget approved by voters.

General Fund - used to account for all revenues and expenditures which are not accounted for in other funds or account groups.

Capital Projects Fund

To account for the proceeds of the sale of General Obligation Bonds used to finance the new elementary school as well as the disbursements to construct the school.

B. Proprietary Funds

Enterprise Funds - these funds account for operations of entities that provide services for user charge, or other basis to the general public or for food service operations.

C. Fiduciary Funds

Trust and Agency Funds - these funds are used to account for assets held by the School District in a fiduciary capacity for various purposes including student activities funds. Receipts and expenditures of each fund are governed by statutes or local law.

D. General Long-term Debt - Account Group

To account for the outstanding principal balances of general obligation bonds or notes.

EPPING SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS - JUNE 30, 1988

3. BUDGET:

The School District's budget represents functional appropriations as authorized by annual or special School District meetings. The School Board may transfer funds between operating categories as they are deemed necessary.

4. CHANGES IN LONG-TERM DEBT:

Bonds Payable - July 1, 1987	\$ 3,235,000
Plus: New Issues	
Less: Bonds retired	<u>335,000</u>
Bonds payable - June 30, 1988	<u>\$ 2,900,000</u>

Bonds payable at June 30, 1988 are comprised of the following individual issues:

General Obligation Bonds:

\$665,000 of 5.4% Junior High School Serial Bonds due in annual installments of \$115,000 through September 1993.

\$1,635,000 New Elementary School Serial Bonds due in various installments and at various interest rates through February 1996. This issue is State of New Hampshire guaranteed.

\$600,000 New Elementary School Serial Bonds due in various installments and at various interest rates through July, 1996.

General Obligation Bonds:

General Obligation Bonds are direct obligations of the School District for which its full faith and credit are pledged, and are payable from taxes levied on all taxable property located within District boundaries.

The annual requirements to amortize all debt outstanding as of June 30, 1987 including interest payments of \$ 895,043 are as follows:

<u>Year ended June 30,</u>	
1989	527,273
1990	510,982
1991	503,893
1992	490,742
1993-1996	<u>\$ 1,762,153</u>
TOTAL	<u>\$ 3,795,043</u>

5. UNRESERVED FUND BALANCE OF THE GENERAL FUND: (Exhibit A & B)

The School District follows the practice of applying unreserved fund balances of the General Fund of the current year as a reduction of taxes in the following year as required by state statutes. At June 30, 1988, the unreserved fund balance was in a deficit position <\$16,118>.

EPPING SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS - JUNE 30, 1988

6. ENCUMBRANCES:

Elementary school	\$ 34,330
	<u>\$ 34,330</u>

The District follows the practice of encumbering unfilled purchase commitments at year end. These encumbrances are reported as a component of fund balance. State statute does not recognize such reserves as being unavailable for reduction of subsequent year school taxes.

The above encumbrance represents the unexpended funds of a warrant article voted at the March 1986 District Meeting to fund additional costs incurred for the elementary school construction - \$ 29,330. In addition, a \$ 5,000 donation was made to the district to do sidewalks around the new school.

7. CONTINGENT LIABILITIES:

A possible liability exists between the School District and an Epping property holder over boundary rights. A suit was filed by the property owner during fiscal 1985 and has been termed of nuisance value.

8. COMMITMENTS:

The District has entered into a three year contract with Berry Transportation for the transportation of the District children for school years through 1990-1991. The cost of the contract is \$108,675 - (1988-1989); \$114,120 - (1989-1990); \$119,835 - (1990-1991); payable in equal installments over the ten month periods of September through June of each school year.

The District has also entered into a leasing arrangement to acquire a new school bus. The lease agreement calls for four equal payments of \$8,709, beginning with the fiscal year ending June, 1987. After the final payment, the District will own the bus.

The School District has also entered into leasing agreements with S.A.U. #14 and the SLC for floor space in the former elementary school building. SAU #14's lease is a one year lease for \$7,200. The SLC lease will expire on August 20, 1989. Its annual lease income is \$26,628 - (Notes 11 & 14). Per the agreement, capital improvements performed by the tenants and approved by the District may be used to offset the monthly rent.

9. NET CASH RESOURCES:

State statutes require that lunch program fund balances not exceed three times the amount of average monthly expenditures for the overall program. Epping School District's lunch program is in compliance with that statute.

EPHING SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS - JUNE 30, 1988

10. CAPITAL PROJECT:

The School District has committed to the construction of a new elementary school adjacent to the present high school. Cost of the project has been budgeted at \$2.6 million. Approval of the voters of the Epping School District was granted at a special meeting on June 20, 1985. On March 13, 1986 the voters of the Epping School District approved a warrant article calling for an increase of \$133,800 in the Capital Project Fund budget to provide for equipment and additional site development. The designated Fund balance of the project at June 30, 1988 was \$9,314. This amount includes \$104,470 of the March 13, 1986 warrant article. The balance on the warrant article (\$29,330) is shown as an encumbrance in the general fund. (Note 6).

11. DEPOSITS:

The deposit represents a security deposit being held by the district on its lease with the SLC.

12. DEFERRED REVENUE:

In June of 1988, the district received a \$40,000 advance on its 1988-1989 tax appropriation in order to cover a deficit cash position. This amount will be reflected as income in the 1988-1989 fiscal year.

13. RESERVE FOR SPECIAL PURPOSE:

This represents additional sweepstakes revenue distributed by the State of New Hampshire in July 1988. Epping School District chose to recognize the revenue in the fiscal year ended June 1988. As this money was not appropriated with the original budget for that year, or by special district meeting on or before September 30, 1988, it is not eligible to be used to offset the 1988-1989 tax rate. However, at the annual or a special district meeting held prior to June 30, 1989, the district may vote to appropriate and expend the surplus during fiscal year ending June 1989. If the money is not voted upon, it will carry over to the following year to be used to reduce the town appropriation.

EPPING SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS - JUNE 30, 1988

14. FACILITIES ACQUISITION AND CONSTRUCTION:

This amount includes \$26,300 in improvements to the old Central School building by the SLC. These improvements were made in lieu of cash payments to the district in accordance with their lease. A corresponding amount of income is reflected in Exhibit B "Local Sources - Miscellaneous Other."

15. CASH DEPOSITS AT FINANCIAL INSTITUTIONS:

The district's cash deposit accounts are insured in full, up to \$100,000, by the FDIC. We have not been able to determine what insurance coverage, if any, exists for the district's amounts in excess of that limit. During the fiscal year ended June 30, 1988, the district had amounts on deposit in excess of the \$100,000 limit by as much as \$195,509.

16. OVER EXPENDED APPROPRIATION:

During the fiscal year ended June 30, 1988, the Epping School District was authorized to expend \$3,307,693 before fund transfers. The district over spent its authorization by \$145,230. Of that amount, \$144,853 was special education expenditures.
